S. P. WRECK IN NEVADA

Section of West Bound Passenger Train Come Together

2 DEAD; MANY INJURED

First Section Flagged to Prevent its Running into Freight Wreck

San Francisco, Cal., Sept. 20.—Two dead and forty-three passengers injured in the result of a train wreck on the Southern Pacific near Harney, Nevada, last night.

There was a head-on collision between two freight trains. Flagmen were at once sent out and stopped the first section of passenger train No. 3, which was bound west and contained the Pullman coaches.

Train No. 35 was running in two sections, and before the flagman could get out and give a warning the second section came thundering down the track and crashed into the first section, which was standing on the track. Engineer Ross and Fireman Linnville were injured in the collision, and four or five cars smashed and the occupants hurled about in the wreckage.

The dead are: W. Weiner, a traveling man of San Francisco.

Thos. Mason, of Paulsburg, N. J. Weiner was instantly killed. Mason sustained internal injuries and died this morning when bearing sparks.

Rebo, Nev. Sept. 20.—Twenty-five persons were injured and George Wareman was killed in a head-on collision between two freight trains, followed by a rear-end collision of two passenger trains on the Southern Pacific railroad at a point nine miles west of Beowawe last evening.

As reported, the wreck was caused by the engineer of one of the freight trains running past his orders. An effort was made to stop the on-coming passenger train, but a moment later the second section plunged full speed into the first. It is feared several of the injured will die.

ASK INJUNCTION AGAINST UNION PRINTERS.

Springfield, O., Sept. 20.—An injunction was granted the Crowell Printing Company here today to prevent the union printers from stopping the strike breakers as they entered the company's plant. More than fifty strike breakers have been taken away. A clash over the injunction is expected tonight.

Chicago, Sept. 20.—A plea in abatement was filed today by the packers indicted in the United States court on a charge of conspiring to monopolize the meat industry. The plea is not supported by affidavits.

Fever Report for Day.

New Orleans, Sept. 20.—New cases, 50; total to date, 2,689. Deaths, 6; total to date, 531. New foci, 11. Cases under treatment, 327; cases discharged, 2,011.

KNIGHTS OF COLUMBUS.

New Council Installed at Prescott on Sunday Last.

Members of Bisbee Council Knights of Columbus returned to the city yesterday from Prescott, where on Sunday last the second Council of the order in this territory was installed with a charter list of thirty-four.

The officers and members who went to Prescott from Bisbee speak in the highest terms of the courtesy and hospitality shown them in the metropolis of Yavapai county.

In the election of the new officers for the Prescott Council Hon. R. E. Morrison was elected Grand Knight.

Among those who made the trip to Prescott were: F. E. Coles, J. P. Jacquemin, E. J. Flanagan, J. P. Conley, J. B. Keough, A. W. Sowles, John Hogan, Tom Hogan, Patrick Gildes, J. Moneghan, J. McNelis, Thos. Munier, Dan O'Connell, George Hart, Ed Hart, C. C. Campbell, D. P. Hickey, J. T. Keating, John Dugan.

E. B. Berrien, past state deputy of Texas, and E. W. Tynan, were also present at Prescott at the installation. The Bisbee delegation was accompanied by Rev. Father Dalton, chaplain of the Fifth Cavalry, now stationed at Ft. Huachuca.

FUSION IN NEBRASKA

Democrats and Populists Join Speech by Bryan

Lincoln, Neb., Sept. 20.—Fusion between the Democrats and Populists of Nebraska was effected today by the nomination by both state conventions of an identical ticket, as follows: Justice Supreme Court, W. M. G. Hastings, of Wilber.

Regents of University, D. C. Cole, of Osceola; Louis Lightner, of Columbus. The feature of the Democratic gathering was a speech by W. J. Bryan, in which he bade his party associates in the state farewell for a year at least on the eve of his departure for an extended tour of the Old World. Mr. Bryan commended President Roosevelt for what he declared to be his advanced stand on principles long advocated by Democrats.

The convention adopted a resolution denouncing the Rockefeller gift to the University of Nebraska, criticized the regents for accepting it, and demanded return of the gift to the donor.

Lincoln, Neb., Sept. 20.—Mr. and Mrs. William J. Bryan, accompanied by their son and daughter, William and Grace, will leave tomorrow for a tour of the world. They will sail from San Francisco for Japan on September 26th.

LUNCHEON MISS ROOSEVELT.

Seoul, Korea, Sept. 20.—The Emperor for the first time during his reign, lunched with foreigners today, first giving audience to Miss Alice Roosevelt and Rear Admiral Train.

PRINTERS WIN IN ALBANY.

Albany, N. Y., Sept. 20.—After a week's duration the strike of the union printers here for an eight-hour day ended with the yielding of all the employers. All signed the agreement, which takes effect on January 1st next.

ARE TO VISIT ARIZONA

Congressmen Will Tour the Territories

Chicago, Sept. 20.—Arrangements have just been completed for a congressional party, occupying two private cars, to leave Chicago on the 5th, 6th, or 7th of October—the exact date is unsettled, so far—for a trip through New Mexico and Arizona. The object of the trip will be a close investigation of conditions in the two territories, with special reference to their proposed admission as one state.

Arizona should derive immense benefit from the visit, for the whole arrangement is the outcome of efforts which prominent Arizonians have been making for some time to induce a large party of congressmen to visit that territory and learn the many reasons for Arizona's opposition to joint statehood.

The personnel will include many of the most influential members of the national house of representatives. The itinerary will be completed within a few days, and will include the principal points in both territories. The party will be accompanied from Chicago by President Murphy of the Santa Fe, Prescott & Phoenix railway, and will be met at some point in New Mexico by President Randolph of the Southern Pacific lines in Arizona, and these gentlemen, with other citizens of Arizona will see that the visitors have an opportunity to see Arizona and its people in a thoroughly satisfactory manner.

PAGE BROTHERS ENTER.

Will Take Part in El Paso Drilling Contest — W. R. Humphries Wants to See Others.

Bravely armed drillers are taking great interest in the coming drilling contest to be held in El Paso next November. The Page brothers, now working in Bisbee, have entered the race, and from the remarks of Louis Page, one of the brothers, they expect to make a showing for Bisbee. The Page brothers are well known in California and Arizona, and have pulled down some big winnings for their brava and muscle.

In an interview yesterday Louis Page stated that the work of training for the test would commence at once. "We intend to win the prize and bring it back to Bisbee." Letters are being mailed to different drillers in reference to the match, and the contest promises to be a great feature of the coming Mining Congress.

W. R. Humphries, who is looking after entries to the contest here, is stopping at the Copper Queen Hotel, and will be pleased to meet applicants and enter their names with the International Miners' Association in El Paso.

Copper Queen Arrivals — L. H. Wheeler, Denver; W. J. Mills, Chas. A. Spiers, Las Vegas; J. G. Tavares, San Francisco; A. P. Moore, Denver; E. V. Berrien, Garnett King, El Paso; R. B. Rankin, G. A. Blalock, San Francisco; W. L. Duden, Los Angeles; John Donlevy, Cananea; Geo. E. Stryer, Bloomfield, Ind.

MCCALL MAKES SENSATION

Declaration that Democrats Sought Campaign Fund Contributions Brought Cheers from Republicans—Assails Judge Parker.

New York, Sept. 20.—The political contributions of the New York Life Insurance Co., and the connection of Andrew Hamilton, Albany, with the alleged political activity of the company, were the points around which the hearing before the legislative committee turned today.

President John A. McCall, of the New York Life, was the chief witness, and for several hours he was subjected to a fire of questions by Chas. E. Hughes concerning money paid for political purposes.

The climax was reached when McCall declared that solicitation of funds for campaign purposes was not confined to the Republican party in the campaign of 1904, and announced:

"My life was made weary by Democratic candidates chasing me for money in that campaign. Some of the very men who today are being interviewed in papers and denouncing men who contribute to campaigns, were crossing my path every step I took, looking for money. One of the candidates, Parker himself, if he would show up his books when he was chairman of the Democratic state committee, it would give you a fit. He never rejected a dollar in the world."

Mr. McCall's statement was greeted with wild cheering.

Underwriters Clash.

Hartford, Conn., Sept. 20.—A sharp clash between a faction of delegates from the west in attendance at the convention of the National Association of Life Underwriters with delegates from the east and other sections at this afternoon's session, and at adjournment the questions at issue were still unadjusted.

A resolution of censure offered yesterday by Delegate J. J. Raleigh, of St. Louis, aimed at alleged irregularities in certain insurance circles, was the issue.

The issue was raised when the executive committee submitted to the convention its report on the Raleigh resolution, declaring it "the sense of the committee that the resolution should not be considered by this convention, and that consideration by that or any similar resolution is unwarranted, and outside our province."

The Raleigh resolution recites that disclosures of methods of management

PEACE NOTIFICATIONS

Papers will be Exchanged at Washington

Washington, Sept. 20.—It can now be stated definitely that the exchange of ratification of the treaty of peace between Japan and Russia will take place in Washington shortly after the treaty has been ratified by the respective sovereigns.

It is probable that this will be done in the White House as a compliment to President Roosevelt, but no definite arrangements have been made or has it been decided by whom the treaties will be exchanged.

Gunabu Pass, Sept. 20.—Rear Admiral Jensen left Vladivostok on September 16th on the armored cruiser Rossia, to meet Vice-Admiral Komimura, the Japanese commander, and conclude the naval armistice.

Seven scouts, who passed out of the Russian lines near Sallimchen recently, were ambushed and killed by the Japanese.

Riga, Russia, Sept. 20.—The central prison here was attacked last night and two prisoners, leaders of political agitation, were released. Two keepers and a policeman were killed and several policemen were wounded.

WHITE MAN KILLS INDIAN.

Shot into Drunken Band of Braves with Fatal Result.

A verification of the rumored killing of an Indian by a ranchman in the vicinity of Livingston reached the city yesterday, says the Phoenix Republican. According to the story, Miss Henderson, a cattleman living on Salt river, left Globe on horseback Thursday afternoon. About four miles east of Livingston he met a band of Indians on horseback, who he claims, were drunk, and he had an altercation with them. The dispute resulted in his firing a shot into the crowd, and he rode on home without stopping to note effect of his marksmanship.

At Livingston he reported to Deputy Sheriff Shornick his version of the affair, admitting that he had fired a shot. Shornick went to the scene and found a dead Indian. He arrested Henderson and took him to Globe. Later he was released by giving a nominal bond for his appearance at his preliminary examination.

Back From Prescott—Knights of Columbus who went to Prescott Saturday evening returned to the city yesterday morning. They brought report of a highly enjoyable trip.

WAR ON THE MACHINE

Philadelphia Reformers Nominate Ticket

Philadelphia, Sept. 20.—In a most unusual convention, followed by an unprecedented demonstration, the new city party, opposed to methods of the Republican organization, today nominated a county ticket.

The candidates selected fairly represent the reform element that has come into prominence since Mayor Weaver's break with the organization last May.

The entire body of delegates and alternates marched to the city hall after the convention and accompanied Mayor Weaver with their action.

The Mayor was lifted to a table in the center of the reception room, while delegates stood on either side of him. City Chairman Edmonds addressed the Mayor and congratulated him upon the work of the convention. Mayor Weaver in reply said:

"Today's convention is only the beginning of a fight in which the administration and people are pledged to stand together. Let us make a pledge, you to the administration, and the administration to you, that we will not rest in our earnest endeavors to bring about defeat of the machine."

Philadelphia, Sept. 20.—The anti-boss convention of the city party opened at the Academy of Music this forenoon. Nearly 1000 divisions of the city were represented by delegates. The convention was called to order by Chairman Franklin Brewer, and after the secretary, Cyrus D. Foss, Jr., had read the call for the convention, the chair proceeded to receive nominations for permanent officers. A recess was taken and when the convention reconvenes the voting will begin. No slate has been prepared and as there are many candidates for each position on the municipal ticket the convention will probably last all day.

DIXON IS KNOCKED OUT

Second Round Finishes the Former Champion

Philadelphia, Sept. 20.—Gen. Dixon, former featherweight champion, was knocked out in the second round by Tommy Murphy, of New York.

Philadelphia, Sept. 20.—Members of the sporting fraternity here as well as in other parts of the country are looking forward with great interest to the prize fight between George Dixon and Tommy Murphy, which is to come off here tonight. Dixon was for many years the champion featherweight boxer of the world. The remarkable feature of the fight is that Murphy, who is a Harlem pugilist, is young enough to be Dixon's son. Dixon has not appeared in the ring for many years, and his reappearance at this time is more a matter of necessity than of choice. He is in need of financial assistance and hopes to be able to improve his fortunes by convincing the lovers of the many art that he still possesses to a considerable degree the strength, endurance and agility which made him so famous during his active career years ago. It will depend very largely upon the showing he makes in the fight to night whether it will be possible for him to pick up other engagements. The fight tonight will be for five or six rounds, with an equal division of the purse.

BOOTH INTENDED SUICIDE.

Carried a Knife in His Pocket For This Purpose.

One phase of the hanging of Zach Booth last Friday of which little has ever been written was described by Henry Burris, a well-known commercial traveler, who was present at the time of the execution and who arrived in Phoenix yesterday says the Republican. Mr. Burris confirms the report that Booth was without doubt the gamiest man who ever went to the gallows. In fact, the condemned man was the only one of the whole gathering not in a tremble. Just after he had arrived on the platform he said to Sheriff Shanley, "Ed, reach down and get that knife in my pocket. I aimed to cheat you out of this job and the devil nearly persuaded me into doing it, but I have decided to go through like a man." Just when he secured the knife the officials did not know, nor how long he had had the same in his possession. One thing was sure, he had plenty of opportunities to use it before leaving the jail. Mr. Burris' trip over the eastern part of the territory was full of excitement. At Clifton he saw a street fight in which a woman was fatally injured, her assailant suiciding shortly after.

Broke His Hand—Charles Sherwood has a broken hand, the result of a fall sustained while walking down the Southwestern track toward Lowell. The accident was due to Mr. Sherwood tripping on a tie.

B. L. Woelker, Postal Telegraph city manager, is confined to his room with fever.

SETTLEMENT IS MADE

City Hall and Paid Fire Department Will be Secured

FIREMEN QUIT PROTEST

Withdrawal of Latter Today Building to be Put up at Once

A special meeting of the City Council was held at the Fire House yesterday afternoon for the purpose of considering the proposition submitted to Mr. Douglas by a committee from the Fire Department at a meeting held at the Besemer Hotel on Tuesday evening.

After a meeting lasting for less than an hour the Council adjourned until 7:30 last evening, at which time Mr. Douglas put his proposition in writing, after it had been agreed to by the committee from the Fire Department, and the plan for the erection of the City Hall building agreed to by the Council.

The proposition in brief calls for an exchange of the present site of the fire house for a lot on Naco Road adjoining the building at present in course of construction by the Bisbee Improvement Company, having a frontage of forty-four feet and a depth of fifty-six feet and possibly sixty. In addition Mr. Douglas offers to the City Council the sum of eight thousand dollars. This proposition has been agreed to between the Council, the Fire Department and Mr. Douglas. Plans and specifications for the building are to be drawn at once, and from propositions made at the Council meeting yesterday it is apparent that the Council has in mind the erection of a city building at a cost of from twelve to fifteen thousand dollars.

The proposition presented by Mr. Douglas and accepted by the City Council last evening is as follows:

Bisbee, Ariz., Sept. 20, 1905. To the Honorable Mayor and City Council and to a Committee of the Fire Department of the City of Bisbee:

Dear Sirs.—Confirming our several conversations of recent date concerning the deed of a lot on Naco Road, adjoining the building of the Bisbee Improvement Company, by me to the City Council and the acquiring of title by me to the lot on which the Fire Station on Main street is now located, which lot, when deeded, should be twenty-three and 38-100 (23.38) feet in width fronting on Main street and a like width at the back of the lot, which should extend to the subway.

In consideration of the withdrawal by the Fire Department of their adverse to an application for title made by the Copper Queen Consolidated Mining Company to the Mayor of the City of Bisbee for the lot above mentioned, and likewise in consideration of the withdrawal of the application made by the Fire Department to the Mayor for title to the same lot, I agree to deed to the City of Bisbee the lot on Naco Road adjoining the Bisbee Improvement Company's building, which lot shall have a frontage of forty-four (44) feet on the Naco Road, and a depth of not less than fifty-six (56) feet, giving to the City a deed signed by the Copper Queen Consolidated Mining Company for the above mentioned lot, which deed will be in due legal form, but which will contain the following clause to guard the grantors of the lot against the possibility of a claim for damages on account of mining operations which may be carried on by the grantors in their adjoining mines, which clause reads as follows:

"And the said grantee hereby, for himself and his heirs and assigns, their or either of their lessees, agents and employees shall not be in any manner liable or responsible for any depression, subsidence, settling, caving or injury whatsoever which shall or may be caused or occasioned to said surface ground hereby granted and conveyed, or any part thereon, by the mining operations conducted, or which may be hereafter conducted, in said Copper Queen mines, or the removal of rock, earth or ores therefrom, whether by the said grantor, its successors and assigns, or any such other person as aforesaid."

In addition to delivering to the City of Bisbee a deed for the lot on Naco Road above mentioned, I agree to pay to the City of Bisbee eight thousand (\$8,000.00) dollars for the transfer of the lot on Main street above described. I likewise agree to

(Continued on Page Eight.)
